GEOGRAPHY & CULTURE

Map of North America: Blank Map and Label the Countries

9 pages + separate answer sheet

What's inside

- A blank map of North America with country borders
- A numbered map and a page with a word bank and numbered lines for all 23 countries
- Small countries have numbered callouts; crowded areas are drawn larger in a box
- Color and black-and-white versions of every page
- A separate answer sheet: the numbered map with every country's name

How to use it

- Geography lessons, centers, homework or a quick review
- Print the color pages or the black-and-white pages
- Students check their work with the separate answer sheet, or keep it for grading

About places on the maps

Names in gray italics are territories or places whose status is disputed. They are printed for reference and are not part of the activity. Not part of the activity (gray italics): Greenland (part of the Kingdom of Denmark); Puerto Rico (territory of the United States).

Where the facts come from

Every country name, capital, flag, greeting and culture fact comes from UpOnly Learning's sourced geography data: country and capital names from Encyclopaedia Britannica, the RAE-ASALE list (Spanish) and the Senado Federal and IBGE lists (Portuguese); culture items from UNESCO and Britannica. Map shapes: Natural Earth (public domain). Flags are national designs in the public domain.
