- Color and black-and-white versions of every page
- A separate answer sheet: the numbered map with every country's name

How to use it

- Geography lessons, centers, homework or a quick review
- Print the color pages or the black-and-white pages
- Students check their work with the separate answer sheet, or keep it for grading

Where the facts come from

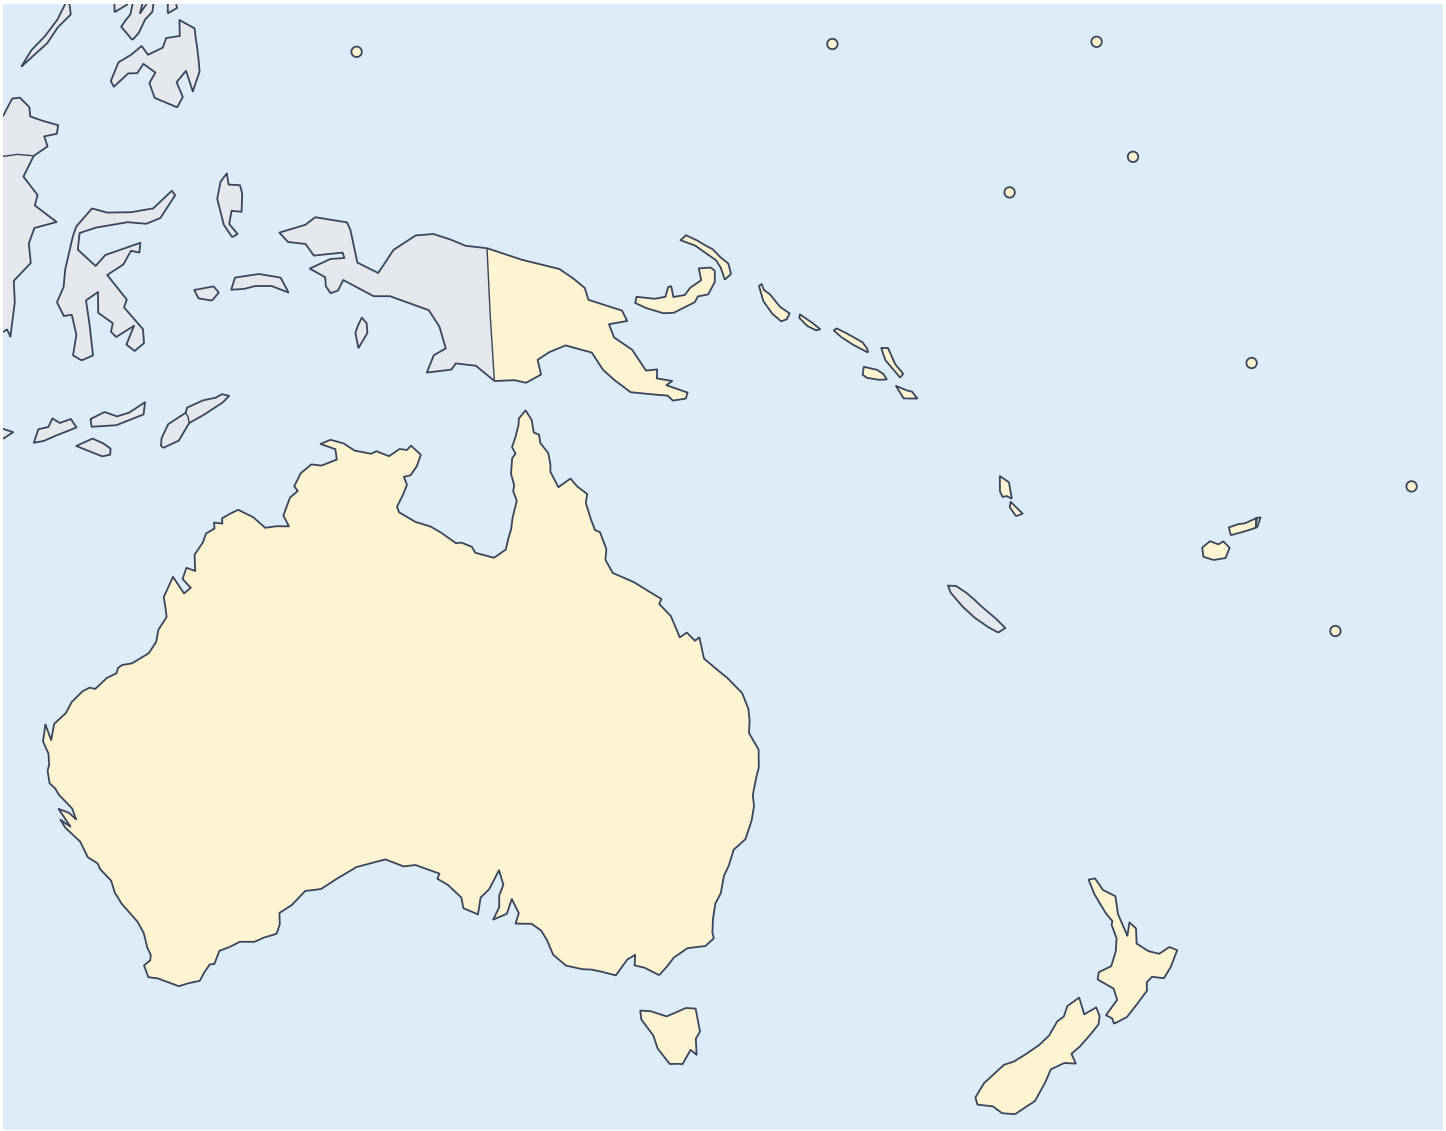

Every country name, capital, flag, greeting and culture fact comes from UpOnly Learning's sourced geography data: country and capital names from Encyclopaedia Britannica, the RAE-ASALE list (Spanish) and the Senado Federal and IBGE lists (Portuguese); culture items from UNESCO and Britannica. Map shapes: Natural Earth (public domain). Flags are national designs in the public domain.
