- Black-and-white pages: color each flag, then match it
- A separate answer sheet with every flag in color and its country's name

How to use it

- Print the color pages or the black-and-white pages
- Students check their work with the separate answer sheet, or keep it for grading

Where the facts come from

Every country name, capital, flag, greeting and culture fact comes from UpOnly Learning's sourced geography data: country and capital names from Encyclopaedia Britannica, the RAE-ASALE list (Spanish) and the Senado Federal and IBGE lists (Portuguese); culture items from UNESCO and Britannica. Map shapes: Natural Earth (public domain). Flags are national designs in the public domain.

Flags are drawn from the LaTeX worldflags designs used on our Geography & Culture pages; national flags are public-domain designs. Territories have no flags in this set.
